# SPECIAL ANNOUNCEMENT

## **REEFER CARGO RESTORED TO MANILA (NORTH PORT), MANILA SOUTH PORT AND SUBIC, PHILIPPINES**

January 24, 2025

Dear Valued Customers:

According to the latest update from terminal operators, the congestion of reefer socket utilization at Manila (North Port) and Manila South Port, Philippines has eased to a relatively sustainable level for the time being at Subic.

Accordingly, at this point in time, reefer cargo destined for any of the above-mentioned ports should be able to be accommodated. We will continue to monitor the situation closely and advise of any change in status, should that occur.

Thank you for your understanding. If you have any questions, please feel free to contact your local Evergreen office <https://www.evergreen-shipping.us/egsweb/jsp/officelist.jsp>.

We thank you for your understanding and support.
