

EVERGREEN LINE

SPECIAL ANNOUNCEMENT

EQUIPMENT RELEASE FOR EVERGREEN'S TAE AND PE1 SERVICES

July 17, 2025

Dear Valued Evergreen Customer/Supplier,

We would like to provide an important update regarding equipment release locations for customers utilizing Evergreen's TAE and PE1 services, which continue to call at Port Liberty Bayonne.

Export Shipments – Dry Equipment

Our standard empty release location for dry containers will remain:

Columbia Container Services

1100 Polaris Street
Elizabeth, NJ 07201

If you prefer to pick up empty dry equipment at **Port Liberty Bayonne**, please indicate this preference at the time of booking. Should your equipment needs change, our Customer Service team is available to assist.

Refrigerated and Special Equipment

All refrigerated and special equipment will continue to be released exclusively from **Maher Terminal** at this time.

Should you have any questions, please contact your Evergreen Sales Representative or Customer Service Team at each local region. A comprehensive contact list can be found by visiting <https://www.evergreen-shipping.us/egsweb/jsp/officelist.jsp>

Thank you for your continued support of Evergreen Line.
