Customer Advisory

Vancouver - BCMEA and ILWU - Canada reach tentative collective agreement

May 30, 2019 13:40 (Pacific Time)

Dear Valued Evergreen Customers:

The following is an update to our advisory of May 28, 2019.

According to information we have received from The British Columbia Maritime Employers Association (BCMEA), a tentative agreement has been reached with ILWU–Canada that should avoid the potential for any additional service disruption.

The lockout across the BC waterfront has been lifted and operations are set to resume for the 16:30 shift today, Thursday, May 30, 2019.

The tentative agreement is subject to ratification. Should there be any change to these circumstances we will advise further as we receive information.

Please contact your local Evergreen office with any questions or concerns you may have.

We thank you for your understanding and continued support.

Sincerely,
Evergreen Shipping Agency (America) Corporation
