## EMPTY CONTAINERS REUSE SUBMISSION AT TRAKKING.COM FOR CANADA

August 7, 2024

Dear valued Evergreen truckers and customers:

Effective immediately, Evergreen Canada has partnered with Trakking to allow for submission of reuse or street turn of import or domestic reposition of Evergreen empty containers for export use through their platform (<https://trakking.com/>).

If you have not signed up to the Trakking platform, please register at:  
<https://portal.trakking.com/Identity/Account/Login>

Beginning September 7<sup>th</sup>, 2024, a fee of CAD\$ 40.00 per container plus applicable tax will be charged for each transaction via the Trakking platform directly. Until that time there will be no charge to utilize this platform.

Should you have any questions or concerns regarding registering with Trakking, please do not hesitate to contact the Trakking support team at 1-877-672-8311.

Should you have any other questions, please contact your Evergreen Customer Service Team in your local region. A comprehensive contact list can be found by visiting <https://www.evergreen-shipping.us/egsweb/jsp/officelist.jsp>

Thank you for your continued support.
